Dear Helen and all those involved in establishing, administering and volunteering as part of the Spurstow Community

As we all slowly emerge from the restrictions that have governed all our lives since the Covid19 emergency took hold 14 months ago, Gemma and I, classed as vulnerable owing to pre-existing health conditions, have benefitted enormously from the generosity of neighbours, friends and the Spurstow Community team. We have come through safe and well and are glad that almost everyone we know has too. Our thoughts and concern go out to those who have lost loved ones and have suffered the Long Covid aftermath or suffered economically and mentally across all generations.

We wanted to write to record our immense thanks and appreciation for the initiative (not least in being so quick to set up the Spurstow Community at the beginning of the crisis) and for all the time and commitment by so many in our community who have supported and helped us and those like us locally in a very real way. We are deeply grateful and admire the community spirit which underlies it all.

Warmest wishes

Stephen

The Right Honourable Sir Stephen O'Brien KBE
