Dear Edward

Re: Access to recycling centres - FAO Rob Edmondson at CWR Ltd (Case Ref: ET17147)

Thank you for your forwarding your constituents' correspondence regarding a request to allow the residents of Spurstow to access recycling centres operated by Cheshire West and Chester Council. Your correspondence has been forwarded on to me for a response by our Chief Executive, Lorraine O'Donnell.

While we of course appreciate your environmental concerns, unfortunately restrictions on household waste recycling sites by neighbouring authorities limits use of site facilities to residents of that authority only. Cheshire East has considered provision of a pop-up household waste centre to service rural and low car use areas if or when affordable. At present, we encourage our residents to use the facilities we provide in our area.

Apologies that at present I can't offer access to facilities outside our area, but thank you for raising the concern which helps us in our future thinking on provision.

Yours sincerely

Ralph Kemp
Head of Environmental Services
